### 2009 CHARDONNAY

“Higher Plane wines are produced by Juniper Estate, since the two came under common ownership in 2006. This is a generously flavoured chardonnay: full yellow in hue, with lots of toasty and buttery aromas and a rich, round, satisfying palate. Plenty of oak has been used, but it’s not at all woody. It’s a wine for those who feel abandoned by the industry’s quest for delicacy in chardonnay. Drink over the next three or four years.

HUON HOOKE GOURMET TRAVELLER WINE AUG/SEP 2011

“TOP AUSSIE WHITE - A generously flavoured chardonnay for those who feel abandoned by the wine industry’s quest for delicacy at the expense of richness. The colour is full yellow and is ample, round and satisfying. Toasty, buttery, not oaky - although plenty has been used. Now to 2015. 13.5 per cent alcohol.” **90/100**

HUON HOOKE, THE SYDNEY MORNING HERALD, 7 JUNE 2011

“A lighter style modern chardonnay that is precision from the nose through to the palate. Lifted aromas of citrus and lightly roasted almonds with a palate that is all zing and zip right through to a pleasantly long finish.” **88/100**
